The Redbridge Schools' Association (RSSA) was formed in 1964. The main object of the Association as set out in the inaugural meeting was "to foster a healthy love of sport amongst the school children of the Borough of Redbridge".

Within the RSSA there are a number of sections set up to organise and control sports and activities which are deemed to further the objectives of the Association. Consequently we have a number of sections who run teams and promote competition in a variety of sports. These include Football, Netball, Swimming, Athletics and many more. All sports in Redbridge are eligible to be members of the RSSA and those who join pay an annual subscription. This annual subscription helps cover the cost of running the activities and other general costs.

The RSSA has an Annual General Meeting, to which all schools are invited. The AGM is the forum by which decisions are made about the running of the Association. During the period between Annual General Meetings, the Association is managed by an Executive Committee who meet on a termly basis.

The RSSA works closely with the two Sports Partnerships based at Caterham and Mayfield. Both partnerships are represented at Executive Committee meetings.

If you require any further information on the RSSA please contact the officers listed above who are part of the Executive Committee and teach in Redbridge Schools.
