

Squash

The SSCO at Woodford County High School arranged for pupils to have the opportunity to attend Woodford Wells Club for twelve weeks of free squash coaching after school. All the pupils were offered but only eight lucky ones were able to attend.

These pupils had never played before and made great progress over the weeks.

All along the way they had expert coaching and built up their skills and knowledge of the game.

For information of where to play squash in the local area:

Thank you Bruce & Carl at Wells for giving these pupils a great opportunity!

They are now looking forward to having some competitive matches.

Well done girls, keep it up!
