

YEAR 1 MULTI SKILLS FESTIVAL AT WOODFORD COUNTY HIGH SCHOOL

On the 24th March 2010, 150 Year 1 pupils from 15 Primary and Infant Schools enjoyed an afternoon of Multi skills at Woodford County High School. Sports Leaders from WCHS invented 8 fun games to teach basic sporting skills. Games ranged from balancing to skipping, to target throwing and hurdling. At the end of the afternoon, all pupils received a sticker and a certificate, as well as a surprise visit from Sporty Fox!

One Sports Leader said 'I found the afternoon very challenging - different to what I expected, but it was great to see so many children having so much fun'.

Jake from Churchfields Infants said "It was the second best day of my life, the best was Legoland!", Aayliah said "I like all the different things to do and the parachute game was the best" and another pupil from Redbridge Primary said she loved Sporty Fox and wanted to take him home

Organiser Claire Smith said 'I was really pleased with the event, in particular the initiative shown by the Sports Leaders. Thanks to everyone for coming and thanks to WCHS for letting us host this event here'.
