

East London Table Tennis Final

Two Redbridge Schools fared well at the East London Table Tennis final on the 8th December. 16 schools from across East London met at Morpeth School in Tower Hamlets for a tough afternoon of competitive Table Tennis. 4 boys from **Ilford County High School** and Seven Kings High School played a total of 48 games across the afternoon. Both schools had qualified after coming first and second in the Redbridge Competition.

Going in to the last group game, the schools were unbeaten, and hopeful of a place in the semi-final. A tense half an hour followed which unfortunately saw both schools losing by a fraction, and narrowly missing out on a semi final place. Both schools were very unlucky not to make it through to the next stages, having only lost 13 games out of the 48. Full results can be found below.

Congratulations to Janith Thanthulage, Yousef Akram, Wasim Jamshaid and Zan Ahmed of **Ilford County** and Manveer Rayatt, Bilal Dookhith, Manoj Ragunanathan and Aadam Elahi of Seven Kings.
