

U13 TABLE TENNIS COMPETITION

On the 30th November 2009, 10 teams battled it out to be crowned Redbridge U13 Table Tennis Champions. Boys from Canon Palmer, Caterham, Oaks Park, Seven Kings and Ilford County High School took part in a Cup and Plate competition kindly hosted by ICHS.

Each team played 4 matches against the other 4 teams in their group. Each match consisted of 4 singles games which were 4 minutes long. This allowed every competitor plenty of table time with their individual scores contributing to a team total.

After 80 games of table tennis, the final scores were surprisingly close. The Plate Competition saw 3 teams being tied in 1st place, the ultimate winners were decided by the number of points score in all games –with 292 points, Caterham B were crowned Plate Champions. In the Cup Competition, winning an amazing 15 out of 16 games Seven Kings were the overall winners. Congratulations to all winners, and special mention to Seven Kings and ICHS who will go on to represent Redbridge in the area final on the 8th December 2009.
