

## **Raising money, developing multi-sport skills and having fun at the same time! (October 2010)**

We were all sorry to hear about what was happening in Pakistan with the floods and decided to do something to help. We decided to hold a Multi-skills afternoon for Key Stage 1. The children had to bring in a donation of one pound to take part. All the money raised went to the flood appeal. The children developed their multisport skills at the same time and most of all, they had fun! Here are the pictures of us on the obstacle course.

Mr. Merchant

(Key Stage 1 Phase Leader / PLT)
