

Athletics Club at Valentines

For a second year running, Valentines has been lucky enough to secure funding from Sport Unlimited to run a variety of sports clubs for the Valentines pupils.

During this summer term, 2 athletics coaches, Neema and Peter, have delivered exciting sessions in track and field events for many pupils in years 7 to 10.

The sessions were so popular that the pupils asked for an extra session which led them right up to Valentines sports day where they were able to compete successfully and demonstrate their newly acquired skills.

All pupils attending made lots of progress and thoroughly enjoyed it.
