

Cleveland Junior School Football Team

For many football seasons, Cleveland Junior School have competed in the 11-a-side league – and usually lost most of their matches! So this year we were all determined to at least draw some, and possibly win a couple along the way.

We were placed in Group A along with 6 other schools in Redbridge: South Park, Highlands, Woodlands, St Aidan's, Uphall and Christchurch. As we don't have any grass at Cleveland we travelled to various schools each week, and even played in the park on two occasions when neither school were fortunate enough to have a football pitch!

Throughout the year the children put in one hundred percent effort and their commitment to the team was outstanding. Every day they'd ask when our next match was, and they were constantly checking the Foundation Football website for fixtures and results. We managed to play all of our fixtures and the results were as follows:

| | | | |
|--------------|---|------------|-------|
| Uphall | v | Cleveland: | 0 - 0 |
| Highlands | v | Cleveland: | 1 - 1 |
| Christchurch | v | Cleveland: | 3 - 5 |
| St Aidans | v | Cleveland: | 2 - 1 |
| South Park | v | Cleveland: | 3 - 0 |
| Woodlands | v | Cleveland: | 0 - 1 |
