

## FENCING CLUB AT VALENTINES HIGH SCHOOL

As a result of Sport Unlimited Funding, a group of 22 pupils from years 7 to 11 have benefited from a series of 8 fencing sessions led by coach Pierre Harper, who in his earlier career was an Olympic Champion.

Everyone has enjoyed this opportunity to be involved in this fascinating sport and those who are keen will be able to continue at his club in East London – Newham Swords.

Well done to those who have committed themselves every week to the club.
