

Jsla visits to the Juniors

Once again, the Year 11 Jsla pupils at Valentines High School have enjoyed developing the link with our family of schools by leading sports sessions for years 4,5 and 6.

Pupils at Uphall Primary, Cleveland Juniors and Christchurch Primary enjoyed warm up activities, skill practices and small games led by the leaders.

The sports sessions were enjoyed by all and hopefully everyone learnt something new.

Thank you to the Primary teachers for supporting these activities and well done to the Valentines Jsla leaders who worked hard and represented their school well.
