

Sports Leaders visit to Cleveland Juniors

On Thursday 1st October, a glorious sunny day, a group of 24 year 11 JSLA students paid a visit to Cleveland Junior School to lead about 50 year 6 pupils in a variety of warm up activities.

It was a really enjoyable afternoon for everyone. The JSLA students were well prepared and generally demonstrated very good leadership skills and the year 6 pupils enjoyed the session and they all worked with effort and enthusiasm.

Valentines JSLA students will be visiting again on the 22nd October and are already looking forward to it. Well done everyone.
