

## Valentines Family Athletics Festival

On Tuesday 16th June, 90 year 5 pupils from Cleveland Juniors, Christchurch Primary and Uphall Primary came together for a fun afternoon of athletics activities. On each station a year 10 pupil and a year 7 young leader led a warm up, explained the station and recorded the results. Also, the 2 new sports ambassadors from year 9 were helping out and getting involved.

The afternoon was a real success. The weather was lovely, the year 5 pupils worked enthusiastically, many went home proudly wearing medals and everyone received a certificate.

It was great to see pupils from all different year groups and schools all working together and having fun. Well done everyone.
