

Valentines Family Multi Skills Festivals

Every year, Valentines Year 11 pupils taking Level 1 in Sports Leadership hold four festivals for the family of schools, Cleveland Juniors, Christchurch Primary and Uphall Primary.

On Tuesday 23rd and Thursday 25th March an excited group of around 55 pupils from years 3 and 4 arrived to join in the fun.

The leaders were well prepared and led their stations with enthusiasm, motivating the juniors and getting fully involved.

The juniors had a really good time too. All received certificates for taking part and many won a medal which they wore proudly as they left at the end.

Well done to everyone! We are already looking forward to the next two festivals in the autumn term.
