

Virtual Multi Skills at Cleveland Infants

In spite of the very cold weather, class 3 were excited about their multi skills lesson. Both leaders and year 2 pupils put lots of extra clothing on and prepared for a very active session to keep warm as they worked.

Leaders from year 6 in Cleveland Juniors led their warm ups and then explained their stations. They helped the year 2's to practice their techniques and were very enthusiastic and encouraging.

Class 2 worked with effort throughout the lesson and everyone managed to stay warm!!
