

Virtual Multi Skills at Cleveland Infants

During the autumn term, two year 2 classes from Cleveland Infants have enjoyed learning and developing their skills during VMS lessons.

Each class had 4 lessons, gradually building up their skills and improving their performances.

On the last session, the competition day, everyone was very excited. The year 2 pupils tried hard, working with a lively enthusiasm to do their best and the young leaders from year 6 in Cleveland Juniors led their teams with warm ups, stretches and then accurate scoring.

Everyone had an enjoyable time. Well done everyone!
