

Year 9 Mixed Rounders Tournament

On Wednesday 9th June everyone woke up to a lovely sunny day for the year 9 mixed rounders competition. 9 teams took part in the event and the Olympic value of equality was the focus of the day.

It was a round robin tournament so every team played 8 matches and the standard of play improved as the afternoon progressed.

Well done to everyone but special congratulations go to Chadwell Heath, who came 3rd, King Solomon who came 2nd and Valentines, team 2, who won the tournament.
