

Year 1 Fun Event at Valentines

On Thursday 1st April, a group of 12 year 11 pupils, who have been involved in the Level 1 in Sports Leadership Award this term, gave up their own free time to lead a fun Multi Skills activity for 29 pupils from year 1 at **Cleveland Infants** and **Christchurch Primary**. The pupils were selected to take part either because they were keen on sport or because they had been trying really hard at school or had good attendance etc

The event began with a warm up to music, with all the teachers joining in as well. The children then made new friends as the 2 schools worked together in teams of 3 enjoying 10 different multi skills activities led by the sports leaders.

Some pupils were very excited to receive a bronze, silver or gold medal for their achievements and others had some nice stickers to take home with them!

Everyone enjoyed the afternoon of activity and had lots of fun.
