

Unihoc

Sports Leaders from WCHS helped out at the **Churchfields Infants** Unihoc Tournament which was held over two afternoons, one for the boys and one for the girls.

The rain poured down on the afternoon for the girls' event so it was transferred to the school hall, which is as exciting indoors as outside.

The year 2s were divided into four teams of six. Each side played with four at a time and two rolled on and off at regular intervals.

It was a new game to the pupils but they soon picked up the skills and some lively and exciting matches took place with a great respect for each other but very competitive. An excellent afternoon's activity – well done to everyone!
