

Football

Churchfields Junior School Year 5 Football Team were making their debut in the Redbridge 7 aside league. We travelled to Ilford where our opponents were Uphall Primary School. After an impressive opening, the team were passing the ball around the pitch, confidently netting three goals in the first half. Leading into the second half with a three goal cushion, tactical switches were made, proving the boys are very versatile. A further five goals were scored, making the result
Uphall – 0 Churchfields - 8.

Congratulations on a fantastic start to the season.

The Year 5 seven aside team travelled to St Bedes for their second outing of the season. The boys made a very positive start on a pitch that could be described as bobbly! This did not stop them from passing the ball to one another in a confident manner, going 4-0 up in the first half. The second half kicked off, and whilst some of the players switched positions, they were still goal hungry and quite comfortably hitting the target a further four times. Final result St Bedes 0, Churchfields 8.

Scorers Louie Hill 2

Well done on your second victory of the season.

Chigwell Under 11's 6 Aside Football Tournament

At Churchfields Junior School we are extremely fortunate to have many talented footballers. In fact, we were lucky enough to field two teams at Chigwell School's annual under 11's football tournament. Both teams were fearless, courageous and unstoppable as they were up against many schoolboys in Year 6. Churchfields teams consisted of gifted boys from Years 4 and 5, who played some fine football on a crisp, autumn morning. The A and B squads comfortably qualified in group stages, both going through to the playoffs. Unfortunately, the journey was to end there. Congratulations and well done to all the players involved, you should be extremely proud of yourselves.

Squad A - George Birch
Harry Cuthbert
Sam Dalby
Aodan Downer
Harrison Eva

Churchfields Years 5 and 6 girls football team kicked off their 2009 -2010 campaign against twelve teams who were competing at the Football Academy in Loughton. They finished in a very respectable 4th place. Watch this space for further updates on the team's progress as they return there for the next stage in November.
