

The Caterham SSP Festival

The question on everybody's lips was, "Will Churchfields Junior School be able to retain the Caterham SSP Cup this year?" With an excited, keen and enthusiastic squad of ten boys and ten girls, Churchfields picked up maximum points in tag rugby and athletics, also taking second place in netball and beanbag hunt. The scores were in and many schools were anxiously waiting. There were scenes of celebration and jubilation as Churchfields girls team were named winners of the highest scoring girls team, and the overall winners and Caterham SSP Festival Champions of 2009 are Churchfields Junior School. Congratulations and well done to all of the children who proudly represented the school. The trophy is back where it belongs.
